

TP_Mastercraft

```
graph TD; A[TP_Mastercraft] -- 17 --> B[glimac];
```

A diagram showing a flow from a light blue box labeled 'TP_Mastercraft' to a white box labeled 'glimac'. A black arrow points downwards from the bottom center of the 'TP_Mastercraft' box to the top center of the 'glimac' box. The number '17' is positioned to the right of the arrow, indicating the value of the flow.
